

Benefits Enrollment

Save time while using BerniePortal to enroll, access and view benefits year-round.

Expand Benefits Offerings

BerniePortal makes administering ancillary options easier than ever by giving employers the ability to offer more benefits strategies and funding options. Using a shopping cart experience, employees can easily select benefits and compare costs.

Increase Employee Understanding of Benefits

Benefits can be difficult to understand, but BerniePortal offers tools to help employees understand their benefits elections. With our self-service portal employees have access to webinars, informational PDFs, and tutorial videos when a question arises.

Simplify Open Enrollment

Easily edit benefit settings and enrollment details by going online with your enrollment process. Manage employees' benefits selections, check current statuses, see pending coverages and view outstanding benefits enrollments.
